

Dear Parent/Guardian,

Thank you for selecting the Bard College Summer Sports Camp / Junior Raptors Camp for your child's summer camp experience. This letter and enclosures pertain to required documentation regarding your child's health. The primary goal of our entire staff is to provide your child with a safe, healthy and enjoyable environment in which to receive instruction in athletics and recreation. With this in mind, please assist our staff by reviewing the materials enclosed and completing the *Personal Information & Medical History Form*, as well as the *Individualized Order Form*, if necessary.

Personal Information & Medical History Form

- In accordance with the New York State Department of Health (NYSDOH), this form must be completed for each child attending camp, with the information provided to be accurate and current to the best ability of the parent /guardian.
- Only one form needs to be completed if the child is attending multiple sport camps. Please indicate the camps that your child will be attending by checking the appropriate boxes in the upper right hand corner of page one.
- A photocopy of your child's Record of Immunizations may be obtained from your physician and submitted in lieu of completing the immunization section of this form. *Please note that the NYSDOH requires an immunization record which includes dates, not simply a note stating that the child's immunizations are up to date.*
- **No child will be permitted to remain on campus and participate in the camp without this form being complete, which includes a current Record of Immunizations.**

Individualized Order Form

- This form must be completed by the camper's health care provider if your child:
 - Needs to take any standard Over the Counter Medication "As Needed" provided in the Camp's Health Center.
 - Needs to take any routine Prescription Medications, provided by the parent /guardian, while at camp.
 - Needs to take any Medication "As needed", provided by the parent /guardian, while at camp.
- The NYSDOH and Dutchess County Department of Health require that this form be completed prior to the start of camp.
- Completion of this form grants permission to the Director of the Camp and their designee(s) to administer prescription and over the counter medication as directed when necessary.
- **Please Note** - This form does not need to be completed or returned if your child will not be taking medications under any circumstances during their time at camp.

Thank you for taking the time to accurately complete the *Personal Information & Medical History Form*, as well as the *Individualized Order Form* if appropriate. Completed forms must be returned at least two weeks prior to your child's arrival at camp, and should be sent to the following address:
